Planning a golf tournament? Let Lake Waco Golf Club provide your full range of tournament needs.

Bob Richards, Owner and two-time Olympic Champion in the pole vault, illustrates our motto perfectly when he states, "Life does not determine a champion. A champion determines life. Nothing is greater than to be in nature striving for a challenge." Lake Waco Golf Club, with its beautiful oak trees and stunning lake views, is just such a setting and ideal for tournament play.

Location, Location, Location

Aptly named, Lake Waco Golf Club sits on the shores of majestic Lake Waco and encompasses 256 acres of rolling hills along with 11 serene lakes and fully stocked ponds. Located at 5608 Flat Rock Road in Waco, Texas, it offers a full 18-hole regulation golf course and is the only 18-hole par 3 golf course between Dallas and Austin.

Minutes away from Baylor University in downtown Waco and the flourishing China Spring suburb, Lake Waco Golf Club offers 36 holes of quality golf, a full service Pro Shop, restaurant facilities, an on-site pool, campground, and a renowned Junior Golf Academy. We provide complimentary use of the club's swimming pool for tournament players, support teams, and their families, making us a highly desirable choice during the summer months. As an added benefit, your families are welcome to fish our well-stocked ponds at no extra charge while you challenge your colleagues on the links. The lakes and fishponds are full of Florida-strain bass, catfish, crappie, and white bass. Lake Waco Golf Club members enjoy year round fishing on the property, and so can you!

Let Us Do the Work While You Play

Our knowledgeable tournament managers and golf professionals offer decades-long experience combined with the hands-on tournament planning and preparation skills necessary to guarantee your tournament runs smoothly.
